

The Major Things To Remember

1. Don't come into the classroom without something to write with!

2. Homework is expected to be completed on time!

You **MUST STAY** after school to complete any of your incomplete homework on - **THE SAME DAY IT IS DUE** - in the 3rd event that you do not complete your homework when it is due (if there is a 3rd event).

You **MUST STAY** after school to complete your homework for 3 consecutive homework assignments for every time you do not complete your homework after the above third event. These days will begin on **THE SAME DAY THAT THE FIRST MISSED ASSIGNMENT WAS DUE**. (in the event they do not stay after on these days - a call will be made to a parent and a detention will be served).

3. Ticket Ins are expected to be completed when you first enter the class. No study time is given in class (it is expected that you have done this prior to entering the classroom), so no opened books!

4. Any missed work/notes due to an absence should be acquired from other students and/or the teacher on the day of return and is due on the following school day in attendance.

5. Students will receive a zero for any missed class work due to an unexcused absence or tardy (Ticket Ins are done within the 1st five minutes of class).

6. Students with 3 unexcused absences during a quarter results in a failing grade for that quarter (School's Policy).

7. Any student leaving for a SPORT is required to turn in any work due on this day **PRIOR** to the departure from school.

8. **ALL LABS** must be made up on the day the students returns to school after being absent.

9. **WEDNESDAYS** are mandatory after school help session days in science for students with grades below C-.
