

## Student Pictures on our Classroom Web Site

<http://www.angelfire.com/blog/steiner/>

Pictures of class labs and activities will be frequently loaded to our class web site. For your protection and privacy, I ask your permission to use your child's picture within our class web site should we desire. Pictures used on our web site will include students when they are involved in projects, when they are in groups (classrooms, assemblies, sports, clubs), or when they receive special recognition.

Additionally, the web site will not include whole names, but will use student's first names only for their protection. This permission will remain in effect until written notice is provided reversing the decision.

Please check all that apply, sign, and return to the school office.

I give my permission to use my child's picture on the Internet with his/her first name.

I give my permission to use my child's picture only on the Internet.

I give my permission to use my child's selected school materials (art work, written work, class projects, computer projects) on the Internet.
